K. OF C. TO GET OLD C. OF C. HOME

Sign Year's Lease for Property
at Lafayette St. and Jefferson
Boulevard.

South Bend Knights of Columbus Monday night signed a lease that will give the organization the first permanent home it has ever had. At a meeting held Monday night in the old Chamber of Commerce building, corner Lafayette st. and Jefferson blvd., the council decided to rent that place and the house committee immediately completed the deal.

Work will be started at once to improve the building for a clubhouse and it is expected that the organization will move into its new quarters within the next few weeks. Several of the rooms will be re-decorated and an entirely new set of furnishings will be purchased for the building.

The new home offers an ideal location for a clubhouse, being just off the busiest streets and still in the downtown district. The building itself can easily be arranged for club quarters, the place having been originally used as a residence. It will be fitted up with billiard tables, smoking rooms and a council chamber.

Consider Two Propositions.

Two propositions were placed before the knights at Monday night's meeting, one a plan to buy a home outright and the other to rent the Arnold or old Chamber of Commerce property. It was decided to rent for the present, although it is probable that the council will purchase a home of its own within a few years.

Members of the committee in charge of securing new quarters were John A. Kaufer, W. A. McInerney, Joseph Werwinski, J. E. Wright and Joseph H. Brink. E. J. Twomey is the head of the council.

South Bend council has had its headquarters for years in American hall, where all of its meetings have been held, Monday night's meeting being the first that has been held at any other place for several years. The hall offered plenty of room for meetings, but no club conveniences could be secured there. The home proposition has been before the council for some time, but it did not take definite shape until about two weeks ago.

VISITS CLUB GROUNDS

Architect for Country Holding Co.
Course Well Satisfied.

George A. O'Neill of Chicago, the architect in charge of laying out the golf course at the South Bend Country club, visited the grounds Monday and reported that he was well satisfied at a committee meeting Monday afternoon. Plans were made for a luncheon to be held soon when reports on the progress of the work at the club will be heard.

PLAY GIVEN IN NOVEMBER

St. Joseph's Church to Present "The Ship in the Wake."

"The Ship in the Wake" is the title of an interesting three-act play written by Rev. P. J. Carroll, pastor of St. Joseph's church, which will be produced in South Bend Nov. 3, 4 and 5. A cast made up of South Bend young men and women is busily rehearsing it at present. It will be presented in St. Joseph's hall. As Father Hyland, Ulrich Hiss is cast in the leading role.

PLASTERERS MEET.

Routine business was taken up at the meeting of the Plasterers' union No. 101, held at Carpenters' hall Monday night. Plans were discussed for a social event to be held early this winter.

OFF FOR MONTANA.

Bennett Cordier, son of Sergt. William Cordier, 210 E. Bowman st., left Monday for Malta, Montana, to join his brother. His father, who is a large ranch near that city. He expects to work on his brother's ranch this winter and file on a claim next spring.

An Old, Family Cough Remedy, Home-Made

Easily Prepared—Costs Very Little, but is Prompt, Sure and Effective

By making this pint of old-time cough syrup at home you not only save about 25¢ as compared with the ready-made kind, but you will also have a much more prompt and positive remedy in every way. It overcomes the usual coughs, throat and chest colds in 24 hours—relieves even whooping cough quickly—and is excellent, too, for bronchitis, bronchial asthma, soreness and spasmodic croup.

Get from any drug store 2½ ounces of Pinex (50 cents worth), pour it into a pint bottle and fill the bottle with plain granulated sugar syrup. Full directions with Pinex. Keeps perfectly and tastes good.

You can feel this take hold of a cough or cold in a way that means business. It quickly loosens the dry, hoarse or painful cough and heals the inflamed membranes. It also has a remarkable effect in overcoming the persistent loose cough by stopping the formation of phlegm in the throat and bronchial tubes.

The effect of Pinex on the membranes is shown by almost every one. Pinex is a most valuable concentrated compound of genuine Norway pine extract combined with guaiaol and other natural healing elements.

There are many worthless imitations of this famous mixture. To avoid disappointment, ask your druggist for "25¢ Pinex of Pinex," and do not accept anything else.

A guarantee of absolute satisfaction, or money promptly refunded, goes with the preparation. The Pinex Co., Ft. Wayne, Ind.

NOTRE DAME LAKES SHIFT RESPONSIBILITIES

Water Discovered Flows From St. Joseph's Into St. Mary's Instead of Vice Versa.

For the first time, water is flowing from St. Mary's lake into St. Joseph's lake at Notre Dame. From time immemorial the flow was from St. Joseph's into St. Mary's. The level of St. Joseph's lake is normally about two feet above that of St. Mary's, but the still unexplained shrinkage of St. Joseph's has brought it down below the level of St. Mary's, and now the seepage is the other way.

This was discovered Monday by one of the professors who has been trying to get at the cause of the continued shrinkage in St. Joseph's lake. He was testing out the theory that a leak had sprung between the two lakes, which are at one point only 50 yards apart. He used a soluble dye and found the water moving slowly into instead of out of St. Joseph's lake. From this lake the university is supplied with water.

NEW CIVIC CLUB IS ORGANIZED

Oliver School Claims 250 Charter Members—Appoint Constitution Committee.

Organization of the Oliver Civic club was effected at a meeting held Monday night at the Oliver school, at which 250 people became charter members. A committee consisting of Clem Whiteman, chairman, Miss Jenette Collins, Mrs. O. M. Pritt, John Giracoli and John Toppel was appointed to frame a constitution for the club, which will be presented for ratification at the next meeting.

F. B. Barnes and Judge H. O. Warner delivered short speeches in which they emphasized the importance of the social center work in the city.

A program was presented, consisting of a chorus by the sixth grade girls, two songs by the Oliver quartet, dumb-bell drill by the sixth grade boys, and a piano duet by Hannah and Wilbur Bergstedt. Following the program, a number of athletic games were played, under the direction of Miss Rosa Krause, playground director at the sample school.

DISCUSS PLANS FOR WINTER INDOOR SPORT

Representatives of Athletic Societies and Kaley School Plan Baseball and Basketball Leagues.

Representatives of six teams in the Kaley school indoor league, the German and Polish Turners, the Holy Name society and several other organizations, discussed tentative plans for the proposed indoor baseball and basketball leagues at a meeting Monday night in the office of F. B. Barnes in the high school. Another meeting will be held next Monday at the same place to make further arrangements for the two leagues.

During the next week efforts will be made by those who attended Monday night's meeting to interest every indoor baseball and basketball team in the city in the matter. It is planned to have at least 20 teams in each league which will compete throughout the winter. Twelve floors will be used for the games.

TO SPEAK ON DEFENSE

Secretary of Navy League at High School Tonight.

William M. Lewis, secretary of the Navy league of the United States, will give a lecture on "National Defense" in the auditorium of the high school tonight. Mr. Lewis' talk will be on the United States navy in particular, but will also bring up the general question of preparedness.

During the first of this year 40 lectures were given by the league leaders before prominent commercial clubs of the middle west. Prominent members of the league are Cyrus H. McCormick, John T. McCutcheon and Judge Jacob M. Dickinson.

ONE CONVERT AT MISSION

Rev. Castle Speaks at E. Lasalle Av. Refuge.

Rev. Edward Castle of the Linden Avenue Christian church spoke at the Rescue mission, E. Lasalle av., Monday night, when there was one conversion. A series of meetings is being conducted at the mission, special speakers being obtained. People in the vicinity of the mission have been given odd jobs through the mission.

LODGE NOTES

Arrangements for a class initiation at the next regular meeting on Monday, Nov. 8, were made at a meeting of Calfax camp No. 2306, Modern Woodmen of America, Monday night at the hall, 321 S. Michigan st. Following the meeting a smoker was held. At the meeting on Nov. 8 it is planned to have camps from surrounding towns take part in the initiation.

Four candidates were initiated into the F. C. degree at a meeting of St. Joseph lodge, No. 45, F. and A. M., Monday night. Following the initiation a smoker was held.

"SHUR-ON" EYEGLASSES, \$3.75. Eyes examined free. Dr. Paul Optical service. 209 J. M. S. Bldg. —Adv.

REVIVE SPIRIT OF JITNEY BUS BILL

Council Will Again Discuss Proposed Ordinance in Committee Meeting.

That the movement in the city council for the regulation of the jitney bus traffic is not extinct was indicated at the council meeting last night when a motion to renew discussion of the proposed ordinance was adopted and the ordinance again referred to the committee of the whole. When the resolution adopted at the last committee of the whole meeting which was tabled, the jitney bus question indefinitely came before the council last night, Councilman Jerzy T. Jagier moved that the ordinance be again referred to the committee of the whole.

Councilman Jagier stated that he believed that the spirit of the council called for regulation of the jitney bus traffic and he was hastily seconded by Councilman Lang, who declared that he believed the sentiment in the body to be strong enough to force the passage of the ordinance.

There was but one dissenting voice on the question, Councilman Smogor from the west side, where the jitneys drive much of their trade, voting against the renewal of the discussion.

Building Code Up.

The first reading of the building code and of the plumbing code took place at the meeting last night. The bulky documents were hastily disposed of until the committee of the whole meeting, when they will be dealt with section by section.

Two appropriation ordinances were referred to the committee of the whole, one providing for \$4,000 for the board of works to be used in work on streets and alleys, and another for \$450 to be placed in the city cemetery fund of the board of works.

An ordinance for the appropriation of \$1,650.00 to the board of park commissioners was referred to the committee. The money is to pay the assessment for the N. Michigan st. improvement near Leeper park.

Want More Play Space.

A petition from the Franklin school for the use of 210 feet on Clinton st., during the school recess periods as play grounds, was referred to the committee. A letter was received from Mayor Keller stating that Ignatius K. Werwinski had presented the city with a Revolutionary war cannon and suggested that it be placed on the vacant lot next the city hall. This was also referred to the committee.

WORK OF STUDENTS AT NOTRE DAME PRAISED

Massachusetts Professor Likes Designs of the Architecture Class.

Francis W. Kervick, 815 Lindsey st., who is in charge of the college of architecture at Notre Dame, and three of his students, Fred Williams, Vincent J. Eck and Joseph P. Flynn, have been highly complimented by Ralph Adams Cram, professor of architecture in the Massachusetts Institute of Technology, and architect of the largest church building in the United States, that of St. John the Divine in New York city.

Prof. Cram, who saw the bulletin published by the Notre Dame students of architecture last June, illustrating the work of the class in architecture, writes: "The designs are quite remarkable. The type of design is admirable and the intelligence shown in working it out is most notable. Mr. Williams' chapel is a brilliant and intelligent piece of work, the plan being particularly notable. I like Mr. Eck's country church, conceived of in absolutely the right lines. Mr. Williams' community mausoleum is also admirable, and on the other hand the classical work is exceedingly good, particularly, I should say, Mr. Flynn's art museum."

A CLOGGED SYSTEM NEEDS ATTENTION.

Are you bilious, dizzy and listless? Dr. King's New Life Pills taken at once relieve constipation and stimulate the bowels, moving naturally and easily. Moreover it acts without griping. Neglect of a clogged system often leads to most serious complications. Poisonous matters and a body poorly functioning need immediate attention. If you wish to wake up tomorrow morning happy in mind and entirely satisfied, start your treatment tonight. 25¢ bottle. Adv.

ON PAGE ELEVEN

You will find many very interesting items of news. They mean dollars and cents to you, possibly.

Merely because they appear on the inside of the back page makes them none the less interesting, not a bit less important, to you.

These items of news, commonly called "the small news of business" are "live". Often they appear but one day. A bargain is offered and is immediately snapped up by someone on the lookout. A position given as unfilled in the morning paper is taken up by someone in the afternoon paper is rented by sundown.

You probably don't even suspect that there are many people right here in South Bend who make their money by keeping constantly in touch with the opportunities afforded to sell, trade, borrow and what not.

Read this page—the inside back page—every day in The News-Times.

"A great paper for results."

MARRIAGES

The wedding of Miss Helen Mendlikowska, daughter of Mr. and Mrs. Frank Mendlikowski, 1214 W. Poland st., to Michael Dolniak, son of Mr. and Mrs. Joseph Dolniak, 311 S. Chestnut st., took place this morning at 8:30 o'clock at the St. Casimir church. The ceremony was performed by Rev. Stanislaus Gorka. The attendants were Misses Frances Dolniak, sister of the groom and Thresa Mendlikowska, cousin of the bride. Joseph Mendlikowski, brother of the bride and Ladislaus Radecki, were the best men. Miss Frances Jegier, a niece of the bride, served as flower girl. The bride was prettily gowned in white voile trimmed with shadow lace. She wore a full veil and carried a bouquet of white valley lilies. Both bridesmaids wore white voile and carried a basket of sweet peas.

Following the ceremony a reception is being held at the home of the bride's parents.

The marriage of Miss Agnes Palicka, daughter of Mrs. Julia Panicka, 1109 Hancock st., to John Skalski of South Chicago was solemnized this morning at 8:30 o'clock at the St. Hedwig's church. Rev. John Hosinski of Hammond performed the ceremony.

The bride, who was prettily attired in a gown of white crepe meteor trimmed in shadow lace and wore a full veil with valley lilies. She was attended by Miss Hedwig Lewinska, who wore a handsome gown of white crepe de chine. Andrew Palicki, brother of the bride, was the best man.

A reception at the home of the bride's mother followed the ceremony, the guests being immediately relatives and friends. The interior of the Panicki's residence was prettily decorated with chrysanthemums.

The out-of-town guests are Vincent Dolniak and his sister, Elizabeth of Omaha, Neb., and Miss Veronica Piotrowska of South Chicago.

Influenza or Grip

Dr. John M. Mayhew describes Influenza or La Grippe as a contagious disease, the symptoms of which are sometimes so obscure that a "multitude of sins" are sometimes hid under the name of cold. It comes on with a marked chill, or possibly by several hours of chilly sensations accompanied by sneezing, which is soon followed by a distressing cough and sweating, with pains in all parts of the body. Unless accompanied by a croupous pneumonia, the patient should be put to bed or compelled to take absolute rest in an easy chair. The diet should be light, but should consist of nourishing food and one Anti-Kamnia Tablet should be taken every two or three hours. This treatment will usually break up the disease in a remarkably short time. Anti-Kamnia Tablets may be obtained at all druggists. Ask for A-K Tablets. They are also unexcelled for Headaches, Neuralgia and All Pains.
